United, We Can

Mar/Apr 2010

President's Message

The Best Part of being President of our Club is the opportunity to grow. What does that mean? Well, when I joined this club just over five years ago I had no idea what kind of leader I would be. All I knew was that I had ideas and passion but needed a good way to express them.

I have never been a quiet "sit in the back" kind of girl, but neither have I jumped up to the front of the room.

Being your club president has given me the opportunity to grow into a leader, not only in the club but in the community.

As we get ready for club elections, I challenge each of you who has never served on the board or who has not served in many years to consider that NOW is a great time to "jump back in."

We are a club that has so much to give to the community and to share with each other. We have had wonderful Board members who gave so much of their time and their passion to what our Soroptimist club has accomplished.

If you think that serving on the Board is not for you, then think about serving on a committee — better yet, serve as a committee chair. There are many committees and projects where we could use **your** ideas and passion.

If it were not for the chance to serve on committees and on the board, I would never have become President. Why? Because I was not sure I was capable of doing the job.

I look forward to continuing to "grow" as a member and a leader this next year. Come Grow With Me!

Your President

Malia D. Anderson

Community

Meeting the "Crab Queen"

Truly a "Crab Cake"

Soroptimist International helped sponsor "next year's" Kids Spree event organized by the Active 20-30 club with a \$3000 donation.

Our club members were treated to a sponsor table at their Crab 4 Kids fundraiser and had a great time eating crab meat and a crab made of cake.

Fundraisers

President Malia welcomed members and many guests to the 6th Street Playhouse presentation of Hank Williams: "Lost Highway"

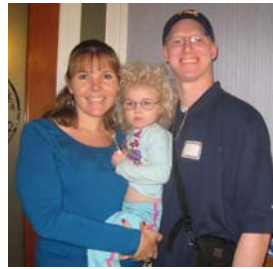

Night In Italy

Our major fundraiser this year had lots of great live and silent auction items: hand made quilts, stays at the Hilton and Kenwood Spa, one of a kind marble sculpture, and a "box of mystery", which member Pam is investigating after winning with her live bid. Even the Youth Group from St. Marks Lutheran Church agreed it was fun to the very end, as they helped clean-up, including the removal of decoration balloons.

Club Programs

Our \$3000 Ethel Balbi Masters Award winner Sabrina Coyle-Johnson told club members about her Masters program of study, and is shown here with her daughter and husband.

Member Lola was surprised when she was honored by the club with a Founder Region Fellowship pin, representing a donation of \$1000 to the Fellowship Foundation.

Kay Marquet, Executive Director, and Diana Curtain, Program Director, shared with club members how "Chops" works. It is Santa Rosa's premier teen club, designed by and for teens.

Ursuline High School students Erin Netherda and co-worker Kimberly Defors presented their project helping **children** in Namibia to club members. They are establishing a 501c3 service organization, and other students at Ursuline are so excited they want to get involved too

New member Alice Sanford was joined by her four sponsoring club members during her induction.

Our club sponsored the 9 girl

"Lego Ladies" team who won 2nd place for Team Work at the NASA Robotics competition in Mountain View. Each elementary school team member participated in a PowerPoint presentation at a club luncheon meeting.
